

SEALS TOURS AND TRAVEL

Seals tours and travel serving NGOS

Seals tours and travel serves families worldwide by integrating philanthropy into travel that's to say facilitating Voluntourism and promoting sustainable community based tourism. We act as bridges connecting tourists with cause providing financial, logistical and marketing support to help NGOS achieve their social and environmental missions.

Key ways of service;

Voluntourism facilitation

We coordinate with NGOS to place travelers meaningful long or short term volunteer roles such as teaching conservation and healthcare.

Supporting local community projects

We support initiatives by directing tourists to buy locally made crafts thus boosting income for community groups, and visit community based projects.

Logistical support

We organize transportation, secure permits and offer safe reliable accommodation for staff.

Educational value

We offer immersive hands on learning experiences, wild life activities and local culture workshops.
